What can we do to improve our relationship with God?

Where are you in your walk with God right now?

II. Relationships Mature Us – This is what life is all about.

♥ **Matthew 22:37-40, Galatians 5:6**

What can we do to improve our relationship with others?

How is your relationship with your parents? Children? Spouse?

III. Relationships Strengthen Ministry – It was part of Christ's work.

♥ **Luke 19:10, II Corinthians 5:17-19**

What was the main focus of the ministry of Jesus?

If this was the focus of Jesus, should it be our focus? Explain.

IV. Relationships Must Be Maintained – It takes lots of effort.

♥ **Matthew 18:15-17, Colossians 3:13**

Why do relationships need constant maintenance? Explain.

What does it mean to maintain a strong relationship?

V. Relationships Make Disciples – We should do all things biblically.

What happens when we don't practice biblical reconciliation?

How can reconciliation make us better disciples?
