

"What Saves Us?"

SUNDAY MORNING MESSAGE (November 6, 2011)

GULF SHORES CHURCH OF CHRIST

Sermon by Ray Reynolds

Introduction: We hear many arguments over salvation. It is a subject that is personal and emotional. Any rational person, who wants to go to heaven, is concerned about eternal life. What is God's desire? What does **John 3:16** say? What saves us? Let's study together

Discussion:

- I. Jesus Saves (Matthew 1:21)**
- II. Repentance Saves (Acts 11:18)**
- III. Faith Saves (Acts 16:31)**
- IV. The Gospel Saves (Romans 1:16)**
- V. The Blood Saves (Romans 5:9)**
- VI. Hope Saves (Romans 8:24)**
- VII. Grace Saves (Ephesians 2:8)**
- VIII. The Father Saves (II Timothy 1:8-9)**
- IX. The Spirit Saves (Titus 3:5)**
- X. Work Saves (James 2:24)**
- XI. Baptism Saves (I Peter 3:21)**
- XII. Confession Saves (I John 4:2-3)**

Conclusion: The Bible confirms that these twelve things save us. We can see this no matter which translation we read. If you were going to exclude one, which would you choose and why? Can one exclude the rest? It is God's will to save you! Are you ready to receive eternal life? Salvation is within your grasp! Will you reach out and take the Lord's hand?
