

Sunday Evening Sermon

by Ray Reynolds (August 12, 2018)

Introduction: The Bible has a lot to say about teaching and preaching. Think about why God gave us the Holy Scriptures. He wants us to read, learn, and then share it. Let's consider the triumph of teaching together...

Discussion:

T = Tradition (Acts 2:42)

E = Edification (Ephesians 4:15-16)

A = Application (Proverbs 23:12)

C = Character (I Timothy 4:12)

H = Holy Spirit (II Timothy 3:16-17)

I = Involvement (II Timothy 1:5, 3:15)

N = Nourishment (Acts 20:27)

G = Guide (II Timothy 2:2, 14-15)

Conclusion: The church should recognize the importance of teaching as a part of the Great Commission (**Matthew 28:20**). Are you learning? Are you teaching? Do you really know the Word of God? Do you have a relationship with the Author of the Bible? Are you saved from your sins? Let's begin to make Bible study and teaching a priority!
