(Sermon by Ray Reynolds – 1/4/09 – PM)

Introduction : Many Christians live their lives running aimlessly. Do you set goals or deliberately make strategies for your own spiritual growth? Most Christians live reactively instead of proactively. But we cannot live passive lives. The victorious Christian has purpose and objectives. I want to share seven biblical principles to help you

Discussion :

- I. AIM WITH A CLEAR VIEW
Acts 24:16

- II. AIM WITH THE RIGHT WEAPON

- III. AIM AT THE RIGHT TARGET
Matthew 16:18
Ephesians 5:25
Ephesians 3:21

- IV. AIM STRAIGHT
Matthew 7:13-14
II Corinthians 5:8-10

- V. AIM HIGH

Conclusion : One of the most dangerous things is for a Christian to just try to do “enough to get by.” What if you misjudge and it’s not enough!?! Why settle for second best? Doesn’t God deserve your best effort? Keep these seven biblical principles in mind as you walk your Christian walk and take your best shot!
