

"Impossible is Nothing with God"

Sunday Evening Message by Ray Reynolds (September 15, 2013)

Introduction: Impossible is a human word. It's a human concept. We created this term to define our earthly limitations. God exists outside of that point of reference. God is faithful to His promises, even when they seem impossible to mankind! Because He is the one who created our realm of possibility! Yet, Abram and Sarai begin to see God's will as an impossible task. God knew Abram needed encouragement so He gave him a peek at the master plan (**Genesis 15:12-18**). Let's study together....

Discussion:

I. The Impossible Pain

- A. The undeniable fact (**Genesis 11:30**)
- B. The unimaginable frustration (**Genesis 15:2-3**)
- C. The uncomfortable feeling (**Genesis 16:1**)

II. The Impossible Promise

- A. God promises to remove his shame (**Genesis 15:2-3**)
- B. God promises to reward his faithfulness (**Genesis 15:4**)
- C. God promises to reproduce his descendants (**Genesis 15:5**)

III. The Impossible Plan

- A. God's "impossible" plan for His servant Abram (**Genesis 15:13-21**)
- B. God's "impossible" plan for His Son Jesus (**Luke 1:37**)
- C. God's "impossible" plan for His special people (**Philippians 4:13**)

IV. The Impossible Passion

- A. God's passion for Adam was evident (**Genesis 3:15**).
- B. God's passion for Noah was evident (**Genesis 6:8**).
- C. God's passion for Abram was evident (**Genesis 12:2**).

Conclusion: God's will for Abram and Sarai was not just to give them a child, but to provide salvation through him to all of mankind. When He did this "impossible" task He revealed that nothing is impossible with God! How great is our God? How awesome are His mighty works? How amazing is His design for our lives? Simple faith is always rewarded in God's story. He wants us to possess the faith of a child, just a mustard seed worth, because that's really all it takes to see the wonders and glory of His majesty. Our God is as awesome God! Impossible is nothing with Him!
