

Sunday Morning Sermon

by Ray Reynolds (August 12, 2018)

Introduction: The early church met regularly to pray. The word is used 32x in the book of Acts alone. They learned about the power of prayer from Jesus and the apostles. It is evident that the prayer life of the early church was a hallmark of their faith. Let's consider the power of prayer together...

Discussion:

P = Praise (Acts 2:42, 47)

R = Repentance (I John 1:9)

A = Adoration (Matthew 6:9)

Y = Yielding (Matthew 26:39)

I = Intercession (I Timothy 2:1-2)

N = Needs (James 5:16)

G = Growth (I Thessalonians 5:16-19)

Conclusion: The church should be people of prayer. We know the power of prayer because we understand the power of God! How is your prayer life? Do you really know Jesus? Do you have a relationship with Him? Are you saved by His blood of Jesus? Are you praying for yourself and others? How much time do you really devote to prayer? Let's begin to make prayer a priority!
