II. How Can Leaders Get Out of the Box?

How do we get in-the-box in the first place?

<i>Do's</i>	<i>Don't</i>
Try to be perfect	Try to be better
Look for others boxes	Look for your own box
Accuse others of being in the box	Try and stay out of the box yourself
Deny you have been in the box	Apologize; then go forward
Focus on what others are doing wrong	Focus on what you can do right
Worry whether others are helping you	Focus on whether you are helping others

*Can you be an effective communicator as a Christian leader?
Are you ready to lead in God's army?*
