Conclusion: Think of all things that Jesus accomplished. He did it by becoming "one of us." He is greater than any teacher, prophet, or angel. He is the greatest human to ever walk the earth! Consider His incarnation, His crucifixion, and His resurrection. His entire plan was not for His own glory, but for ours. It was not to save Himself, but others. He is our champion! He is our Savior! Will you give Him your life? Will you follow Him? Will you serve Him?
